

Electronic Council Communications Information Package

Date: March 21, 2025

Time: 12:00 PM

Location: ECCIP is an information package and not a meeting.

Description: An ECCIP is an electronic package containing correspondence received by Staff for Council's information. This is not a meeting of Council or Committee.

Alternate Format: If this information is required in an alternate format, please contact the Accessibility Coordinator, at 905-623-3379 ext. 2131.

Members of Council: In accordance with the Procedural By-law, please advise the Municipal Clerk at clerks@clarington.net, if you would like to include one of these items on the next regular agenda of the appropriate Standing Committee, along with the proposed resolution for disposition of the matter. Items will be added to the agenda if the Municipal Clerk is advised by Wednesday at noon the week prior to the appropriate meeting, otherwise the item will be included on the agenda for the next regularly scheduled meeting of the applicable Committee.

Members of the Public: can speak to an ECCIP item as a delegation. If you would like to be a delegation at a meeting, please visit the Clarington [website](#).

Watermain Cleaning and Structural Lining

Works Department

March 17, 2025

Public Notice

As part of The Regional Municipality of Durham's ongoing infrastructure maintenance program, watermain in your neighbourhood are scheduled to be cleaned and structurally lined this year (map attached). This program renews aging infrastructure, improves water quality, and reduces the risk of watermain breaks.

A temporary watermain will be installed to maintain the water supply to all impacted homeowners during construction. The temporary watermain will be disinfected and tested for microbiological quality, then connected to your home via the outside water tap. There may be a minimal interruption to the water supply for your home during the switch over.

Two-metre by two-metre excavations will be required at valve and fire hydrant locations and intervals along the watermain to provide access for cleaning, inspection, and lining equipment. Trench work or removal of sidewalks or driveways should not be required. Please note that it is the Region's policy to reinstate all roadways, boulevards, driveways, and lawn areas that are disturbed after the construction work is completed. Every effort will be made to minimize the impacts on residents.

Before full service is restored, the lined watermain will be disinfected and tested to ensure that the water quality continues to meet the Ontario Drinking Water Quality Standards.

The contractor, North Rock Group Ltd, will start work at the end of March. The duration of construction work is sixteen (16) weeks. Clean-up and restoration should be initiated and completed by August 2025. Please note that unfavorable weather conditions may affect the work schedule.

During construction, access to driveways and all commercial and residential properties will be maintained in most instances, including emergency traffic and waste collection.

The Region realizes that this work may be disruptive and will make every effort to complete the work as quickly as possible.

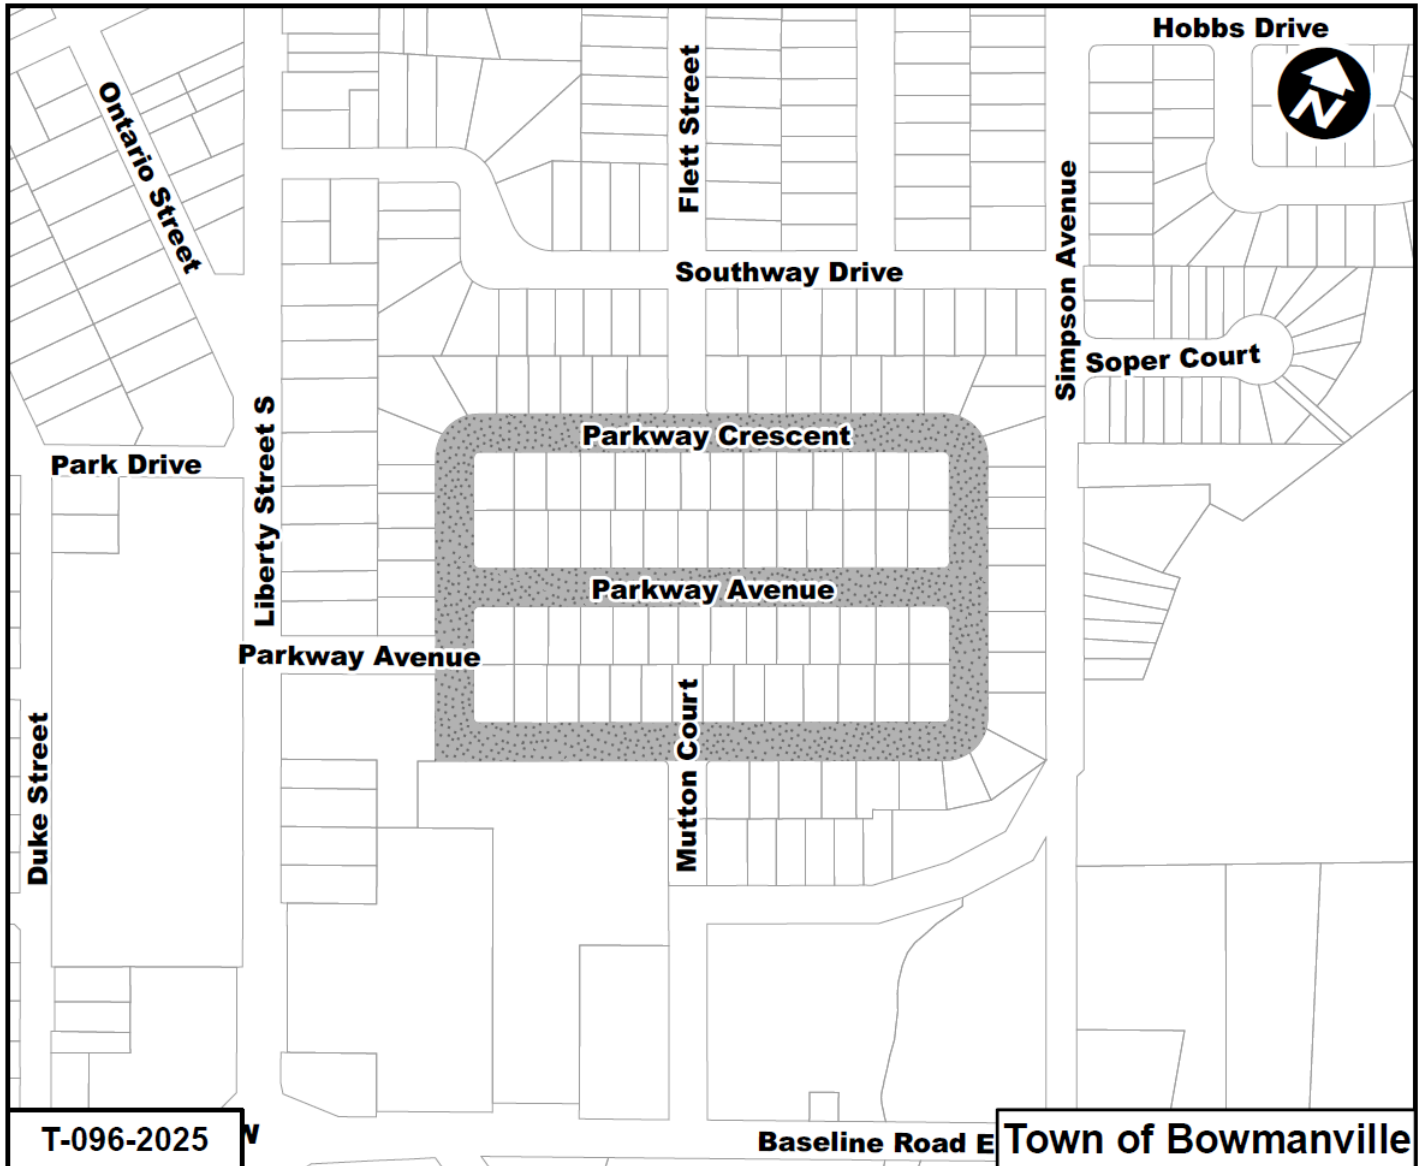

Should you have any questions or comments, please contact one of the following staff members listed below from the Regional Municipality of Durham, Works Department:

Lee Buchanan
Project Inspector
289-830-6504
lee.buchanan@durham.ca

Claudiu Vilcu
Project Supervisor

The Honorable Premier Doug Ford
Premier's Office
Room 281, Legislative Building, Queen's Park
Toronto, ON M7A 1A1

Dear Honourable Premier Doug Ford

Re: Additional Residential Units in the Oak Ridges Moraine

I am writing to advise that at the Regular Council Meeting held on March 12, 2025, Council of the Township of Adjala-Tosorontio adopted a resolution regarding Additional Residential Units in the Oak Ridges Moraine

The resolution reads as follows:

WHEREAS the Township of Adjala-Tosorontio received a letter from the Minister for Municipal Affairs and Housing, the Honourable Paul Calandra, on November 28, 2024, stating the intent of the province to ensure that municipalities allow for up to 3 Units per lot as of right (without the need to apply for a rezoning), resulting in 2 Additional Residential Units (ARU) per lot in serviced Settlement Areas of the Municipality;

AND WHEREAS the Federal government has initiated the Canada Secondary Suite Loan Program to provide residents the opportunity to avail of incentives and loans up to \$80,000 at low interest rates to ensure that Canada can build a supply of homes to make housing affordable for every generation;

AND WHEREAS residents in all parts of the Township are able to avail of these incentives to build ARU's except those living within the boundaries of the Oak Ridges Moraine;

AND WHEREAS residents in Ward 1 and 2, who live within the Oak Ridges Moraine, are unable to take advantage of the Federal and Provincial incentives to build even a single ARU within their lots, either a basement suite or an ancillary garden suite on their properties due to the current prohibition within the Oak Ridges Moraine Conservation Act;

AND WHEREAS allowing for multi-family residential units with ARU's in the Oak Ridges Moraine would permit for older residents to stay in their own homes for longer and further allow for younger people and families to live in their own units with their own independence to allow them to save money to one day afford their own home;

NOW THEREFORE BE IT RESOLVED THAT the province be requested to review the Oak Ridges Moraine Conservation Plan to permit ARU's generally within the Oak Ridges Moraine;

AND FURTHER THAT a copy of this resolution be forwarded to the Honourable Doug Ford, Premier, Honourable Paul Calandra, Minister of Municipal Affairs and Housing, Brian Saunderson, MPP Simcoe-Grey, all MPP's within the Oak Ridges Moraine Plan, to the Association of Municipalities of Ontario (AMO) and to all municipalities within the Oak Ridges Moraine Conservation Plan.

Should you have any questions, please do not hesitate to contact myself by email at rredit@adjtos.ca or phone at 705-434-5055 ext. 263.

Sincerely,

A handwritten signature in blue ink that reads "R. Reid".

Special Events:

Canada Day (Tuesday, July 1st)

The Street Scape is not scheduled to happen this year, so the road is clear to use for the event, not sure how much will be needed for vendors yet.

There are 7 committee members.

Sponsorships are coming in.

They are looking for an MC and renting a stage.

Can we hang the Canada Day Banners this year for the event?

Marni will add the event to the BIA website.

Carolyn will get a letter together for the BIA businesses to participate/ sponsor.

Community Hall Lighting (Sunday, November 16th, 5:15pm)

The event will be held just before the parade again this year, once the road is closed. Janeen would like to purchase an 18 foot commercial grade tree for this year. They are on sale for \$17,850.00 until the end of February.

Motioned by: Marni Lewis Seconded by: Carolyn Brooks Carried

Santa Parade (Sunday, November 16th, 5:30pm)
