EXTERNAL

We are writing to express our opposition to having this resolution stand.

- Our business has been serving Clarington and it's farm community for over 100 years.
- This resolution/motion with it's amendment will greatly increase our difficulty to continue to do so when we need to expand to serve the increasing demands of our customers.
- The lack of transparency in putting forward this amendment is deeply disturbing to us.
- We will be able continue to create employment in Clarington if this resolution/motion is withdrawn and resubmitted without the amendment.

We ask that you rescind the resolution/motion with it's amendment tonight.
Please support small business in these difficult times during Covid19.
Thank you for your consideration in this matter.
