EXTERNAL

I wish to be heard.

Our property, Durham Farms Ltd is directly affected by the new zoning recommendations and I firmly oppose the proposed rezoning , it's lack of due process, lack of forethought as to the effects to adjacent land accesses, It's heavy handed approach clearly demonstrates a lack of proper conference from landholders, stakeholders and the like, and we demand some explanation as to the lack of communication and back door approach initially.

The backlash to this proposal, the defeat of similar proposals in adjacent communities, stands as an example as to how firmly the community opposes underhanded behaviour from clarington council.

These types of plans should take years to develop, with proper consultation from those whom these decisions affect. Shame.
