**Subject:** Message to Council for Upcoming meeting re: Rezoning of EP land

**EXTERNAL**

Dear Council Members,

This note is to reinforce our extreme disapproval of the Rezoning and EP classification process that was tabled in March. My brother and I as partners on our fourth generation family farm were greatly impacted by the proposed changes. We urge Council to follow the lessons learned from East Gwillimbury and support Councillor Neal with his proposal to a resolution for this matter. Under the proposed changes our farm was to go from approximately 30% wetland to over 70 % and the majority of the remaining land was protected under the Oakridge Moraine. It's time for Councillors to support us farmers.
