Hello Ms. McArthur,

Would you like this included on the Council agenda for Monday? If yes, I will require your address.

Thank you.

Asking Clarington Council to restrict its mapping to provincially mandated environmentally protected areas and to remove other discretionary EP land from their map. This may help to protect your land value. It will ensure you receive proper notifications and reduce the restrictions on what you can and can not do on your property.

As a resident and tax payer in Clarington, I support a motion to recommence the work being done on the review of environmentally protected lands (EP) in rural Clarington.

I support Official Plan mapping that is limited to provincially required EP land.

I support full and comprehensive notification to property owners to ensure transparency and accountability.
