Dear Council,

I am one of the 200+ property owners in Special Study Area 2, and am opposed to our property to be considered for any Greenbelt Expansion. I am requesting that this Special Study Area 2, with any reference to Greenbelt expansion, be removed from the Clarington Official Town Plan. We own 16 acres on Baseline Rd and we are opposed to any Greenbelt expansion on our land. This land has been in our family since 1982 and we plan to develop the property in the future.

Thank you.
