To whom it may concern on the Clarington Council,

My name is Sean Leach and I am a resident of Clarington. My address is 2353 Maple Grove Rd., Bowmanville ON. L1C 6N1.

I am writing to express my concern regarding the Clarington zoning amendments proposed by Clarington Council, to increase the area of Environmentally Protected land in the Clarington region. I am opposed to the proposition to increase the area of EP land beyond that which is required by the Ontario provincial requirements. This is not necessary and has not been requested by the citizens of Clarington.

As a resident and tax payer in Clarington, I support a motion to recommence the work being done on the review of environmentally protected lands (EP) in rural Clarington. I support Official Plan mapping that is limited to provincially required EP land. I support full and comprehensive notification to property owners to ensure transparency and accountability.

Regards,
Sean Leach
