Subject: EP Lands

EXTERNAL

We have been residents and tax payers on the same property in Clarington for over 46 years. We support a motion to recommence the work being done on the review of the EP lands in rural Clarington as our property has been highly impacted by the new mapping. We support the Official Plan mapping that is limited to provincially required EP land. We support, also, full and comprehensive notification to property owners to ensure transparency and accountability.
