EXTERNAL

To the Councillors of Clarington:

We have owned 124 acres in Clarington for over 40 years, cherishing the land and its natural resources. We consider ourselves the best stewards of our own property and resent attempts by the Municipality of Clarington to dictate otherwise.

This letter is in support of maintaining the status quo in rural Clarington and that no new EP lands be added other than to meet current mandatory provincial designations.

Sincerely,

Diane Higgs
