EXTERNAL

Dear Council,

I am one of the 200+ property owners in Special Study Area 2, and am opposed to my properties to be considered for any Greenbelt Expansion. I am requesting that this Special Study Area 2, with any reference to Greenbelt expansion, be removed from the Clarington Official Town Plan. I own 131 acres and I am opposed to any Greenbelt expansion on our land. Although you may feel that this is a good idea it is at the cost of the owners of the land in Special Study Area 2 not the residents of the municipality. If it was your property being effected you would feel much different about this. What your asking for is for the benefit of everyone but the cost associated with this is to the current land owners in the area. Not the general public.

Thank you.
