Dear Mr. Gallagher,

I am writing this letter to voice my opposition to the land takeover that has been suggested by various parties. I live in Mitchell's Corners and was very disappointed when I learned of the land grab by the Environmental Council/Board. My land is already under my stewardship and I take that job very seriously. It is protected and maintained by me. I do not need any government bureaucracies taking it over and doing it for me. This is a big issue for me. If you feel the necessity to do so I will pursue a corresponding deduction in my taxes since I will not own 50% of my land. It will also affect my ballot in the next election along with others that I will convince to do also.
