Subject: EP Land

EXTERNAL

Dear Clerk:

We request that Clarington Council restrict its mapping of environmentally protected land to provincially mandated areas and remove other discretionary EP land from your map.

We the tax payers are very concerned by this Councils continuance of this discussion about EP land after many of us put much time and effort into attending meetings to express our views of not making additional lands environmentally protected.

Sincerely William and Dorothy Lawrence
4675 Ganaraska Rd. Newtonville L0A 1J0
