

Dear Clarington Councillor,

I am a resident on Moffatt Rd. Newcastle and I am writing this to you to ask you to please rethink and consider the impact of rezoning our area.

We have owned our property for about 15 years. My wife and I will both be retiring within the next five years and we have always intended to build a home on our property and to spend our retirement there.

To our understanding, this proposal will impose restrictions that will affect our future plans.

We are writing this letter to ask you to consider how your decisions will impact ourselves as well as the residents and all of our future plans.

Thank you for your consideration.

Sincerely,

Michael and Marian Chopik
