8. Treasurer Report – Brian Glaspell – no report given
9. Ice Rink – Greg Carroll – waiting to hear back from the Municipality to see if the rink will be a go this year due to Covid. Also mentioned/asked if the basketball court may be a better alternative due to it being a flat surface and may be easier to have the ice form and set. Paul mentioned that the rink supplies are ready and will be delivered once the weather is cold enough to have the rink started and water freeze. Will be placed where we feel is the best option.
10. Cleaning – Larry – goes in a few times a week to just check on the building and ensure that it is dry and all is well.
