Dear Sir,

As a resident of Clarington, I proclaim that as of Oct 16.2019 your Official Plan Map is still flawed. I have NOT received notification of upcoming by-law changes and request that my concerns be recorded along with my disapproval of any such changes to my property without confirmation that your map is corrected prior to passing any new by-laws. I'm lead to believe that I can request a site visit which I have no clear information as to go about this.

Trusting you will do the right thing "FOR THE PEOPLE" of Clarington.

Signed . . . one unhappy resident
