**Date:** January 9, 2019  
**Subject:** **Street Naming Request – Terry Price**  
**File:** PLN 25

At the General Government Committee meeting held on January 6, 2020; Councillor Traill brought forward a resolution to allow for a historical name rather than a veteran name to honour the Price family (#GG-024-20, attached).

Planning Services staff contacted the Region of Durham for approval of the recommended name. The Regional street naming database is checked to avoid duplication within the Region, when new street names are being considered. Unfortunately, the Region will not accept “Terry Price” however “Price” is acceptable.

Council may wish to amend the Motion to allow for “Price” as the street name to be considered; or Council could request staff investigate an alternate family member name. If approved, Planning Services staff will add the name to the Developers List of available street names, in close proximity to Price’s Country Market.

There are currently approximately 250 war dead veteran street names on the waiting list for general use throughout the Municipality.

Resolution # GG-024-20

Moved by Councillor Traill Seconded by Councillor Anderson

Whereas the Price family has contributed significantly to Clarington, starting with James Sydney Price who received the British War Medal and the Victory Medal for his service in World War 1;

Whereas the Price family has been farming in Bowmanville since 1931 and Price's Country Market vegetable stand and farm has been a staple in east Bowmanville for the past 30 years;

Whereas the Price family has donated vegetables, decorations, flowers and Christmas trees to Bowmanville churches, local schools, and donated pumpkins to the Bowmanville Veterinary Clinic for its fundraising for the Farley foundation which helps other-abled people with payment of veterinary bills the Bowmanville Museum the Bowmanville Legion, and sponsored Concerts in the Park;

Whereas, with Phyllis Price having been a teacher in Clarington for thirty years, the Price family also provided school tours to local school children to teach young people about the importance of farming and growing local;

Now therefore be it resolved that:

- 1) In recognition of the contributions of the Price family, Clarington waive its street-naming by-law to allow a new street to be named for Terry Price, with proximity to Price's Market being the primary consideration when selecting a street;
- 2) The Price family be advised of Committee's decision; and
- 3) Recognition of Terry Price and his family's contributions be made at the ratification of this Motion, if passed.
