Committee Reports:

- Chair Report Danielle we are now in Stage 3. Discussion was had about what needs to be completed in order to reopen the building to rentals and activities. It was noted that our washrooms are not actually wheelchair accessible. Danielle will handle speaking with the Municipality in regards to this. Discussed some possible options for fundraising.
- 2. Maintenance Report Kyle will check the fire extinguishers. Mentioned that the work orders still have not been completed. Nothing else to update at this time.
- 3. Rentals Joy several inquiries have been made about booking the hall for rentals. A list of attendees can be requested by all renters. 50% capacity is allowed at this time. Does not exceed 1000 people. Discussion was had about fees for additional cleaning/sanitization for rentals. Motion was made to make the fee a set \$150 for set up and take down due to Covid requirements. Made by Marlene Raby. Second by Greg. All in favor. Carried
- 4. Treasurer Report Brian Glaspell no report given
- 5. Cleaning Larry no report given

Old Business:

No Old Business to discuss

New Business:

- 1. Reopening Discussion: The municipality sent out an email stating that we are in Stage 3 and had to obeyed by the government's requirements for opening. Health inspection has to be completed before reopening. Discussion was had about what needs to be completed for that to happen. A reopening plan needs to be made. Some questions were raised, Joy offered to clarify these. Discussion was had about the garbage collection and options that may be available to help save some money.
- 2. Cleaning Day A checklist will be made that outlines what areas need to be completed. Discussion was had about the garden needing to be weeded and cleaned up.
- 3. Discussion was had about needing a new tech savvy person to handle the website.
- 4. Ice Rink application is due in August. Danielle will handle completing the application and sending it in.
