**Report To:** Council

**From:** Brent Rice, Chief Building Official

**Date:** April 28, 2022

**Memo #:** Memo-024-22

**File No.:**

**Re:** Correction to Report PDS-020-22 Execution of Agreement with Durham Health Admin and Enforcement of Sewage Systems

It has recently come to our attention that there was an error in recommendation 3 of the report. It mistakenly referenced a by-law, which is not required.

It is recommended that Council pull Item 9.1 of the Planning and Development minutes and move the following resolution:

That Report PDS-020-22, and any related delegations or communication items, be received for information.

That the Mayor and Clerk be authorized to execute, on behalf of the Corporation of the Municipality of Clarington, an agreement with the Regional Municipality of Durham, allowing for the ongoing administration of the Building Code Act and the Ontario Building Code, as it relates to the enforcement of small capacity sewage systems; and

That a copy of report PDS-020-22 and Council's resolution be forwarded to the Regional Municipality of Durham.

Should you have any questions, please do not hesitate to contact me.

cc: Ryan Windle, Director of Planning and Development Services
