Approval Agenda

Moved by Dave, to accept the meeting agenda. Seconded by Crystal. Carried.

Committee Reports

Welcome to all

Crystal and Joy have been attending different hall meetings. To find out how they are all doing with coming back after covid and other things.

Booking: the grading will be done but we do not know when it will take place. Because of our future events we did not want something to happen.

At the last meeting we talked about painting the hall and we need to make a motion. All were in favor of getting the painting done. He suggested that October would be the best time to get that done.

Smart Server- 3 of us have done it and are wondering if anyone else is getting it done. Also, to have our license's copies available. Joy has asked if we could get the board to agree to hire bartenders if no one on the board is able to work at the bar. All in Favor, yes.

Insurance for non-alcoholic events. Joy is asking to revise the contract to say that the renter is responsible if anything happens while their event happens. Joy makes the motion to (fill in) motions- Jacquie, Paul, Crystal.

Treasurer: savings Cheq- \$50614.24 Savings \$13609.08

Dances: \$6644 Sept-June Hall rental sept may- \$20665 movies Night \$554

Dances: \$2160

We would like to have a schedule made up so that everyone participates in the dances. We take the food away. Also dropping the age limit.

Motion 2-3 theme dances a few times a year, Alvina, second Brian and crystal.

November 4th theme dance- ideas (Home Coming) Crrystal knows a DJ.

March 16th- St. Patties Day dance.

Maintenance- No news about anything from the town. No news on grading, and no mulch. Reached out about the garbage and dog poo, and they were cleaned up. Fire extinguishers are good. A lot of Garbage has been left out and need to be picked up more.

Talked about new tables and chairs that are able to stack and be put away better.

\$2847 to paint the hall.

Old Business:

Capital projects: Joys notes

Next meeting Sept 20th

Meeting Adjourn: 8:18
