GENERAL GOVERNMENT COMMITTEE MEETING

RESOLUTION #

DATE: May 6, 2024

MOVED BY Councillor Zwart

SECONDED BY Councillor

Whereas other municipalities have developed a mechanism to allow for “recreational campfires in urban areas”;

Now therefore be it resolved:

1. That Emergency and Fire Services Staff be directed to prepare a report for the Fall of 2024 reviewing Clarington’s Open Air Burning By-law;
2. That the report contemplate the inclusion of a framework/regulations to allow residential burning/campfires on properties that meet a defined size and location threshold; and
3. That the review include best practices from other municipalities.
