Hi,

Thank you for your correspondence. The deadline for this correspondence was 4:00 PM on Friday, as we were required to send the update to the agenda shortly after that time.

Rest assured that your correspondence echoes the sentiments of many who have already submitted on the same matter which will be before Council on Monday. Your correspondence will be collected and Staff will advise Council that additional correspondence on the matter has been received.

The updated agenda can be found at [www.clarington.net/calendar](http://www.clarington.net/calendar) . After the meeting has started (tonight at 7:00 PM), the video will also be available from the same webpage.

Thanks,

June Gallagher, B.A., Dipl. M.A.  
Municipal Clerk  
Legislative Services Department  
Municipality of Clarington

In my opinion the Provincially designated EP areas should be ignored and Clarington in consultation with CLOCA should establish boundaries based on good science, simply because the Office of Mr Clark is unable to make any decisions based on good science.

This is proven by his recent MZO for 57 acres of designated significant Coastal Wetland to be developed (destroyed) thus I feel his office is unable to make valid decisions on Environmental issues due to the Influence of Doug Ford.
