## Parks, Recreation and Culture Master Plan: Looking to the future

Mary-Anne Dempster, CAO

General Government Committee  
September 16, 2024

# Getting here

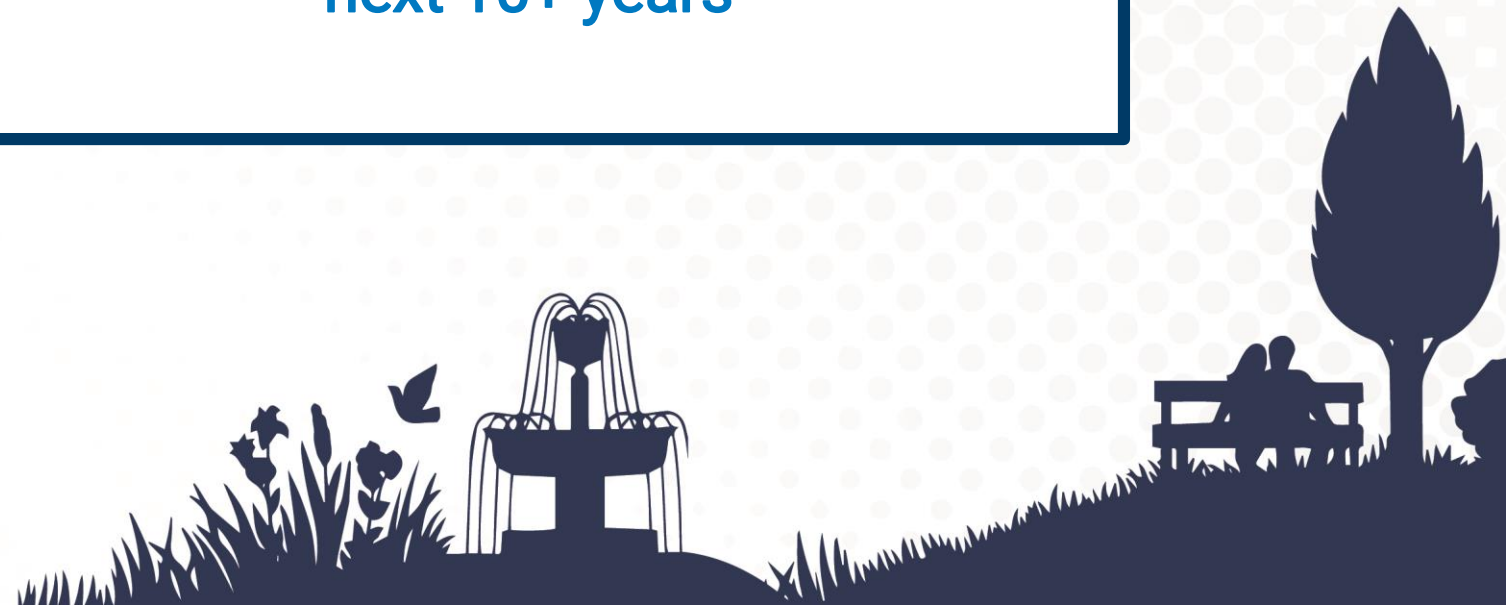

**Cross-functional staff  
working group**

**An engaged  
community**

**Detailed data  
analysis**

**An ambitious, well-rounded  
Master Plan to guide us for the  
next 10+ years**

# Recommendations

- **111 recommendations to help guide our decision-making**
- **Short, medium and long-term implementation**
- **Immediate need for Aquatics Centre**

# Financial Considerations

- **\$385 million of investment required**
- **Additional considerations:**

**Development Charges**

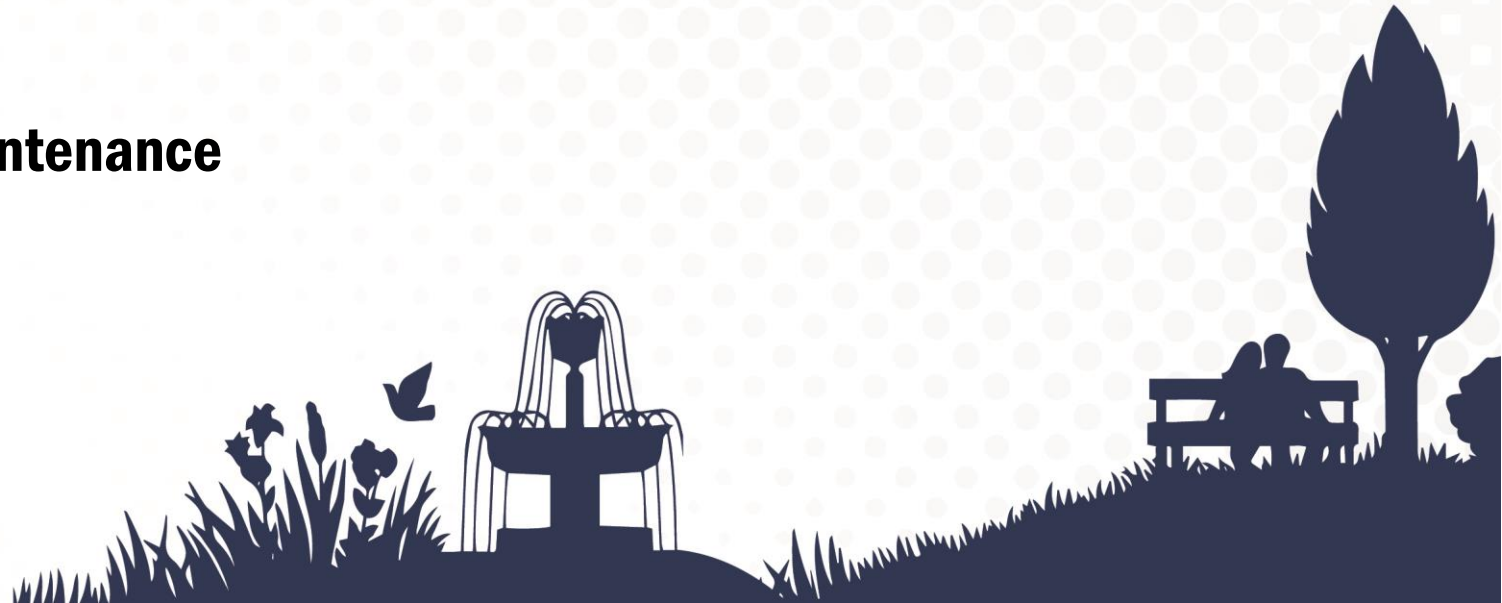

**Debt Capacity**

**Ongoing staffing and maintenance**

**Competing priorities**

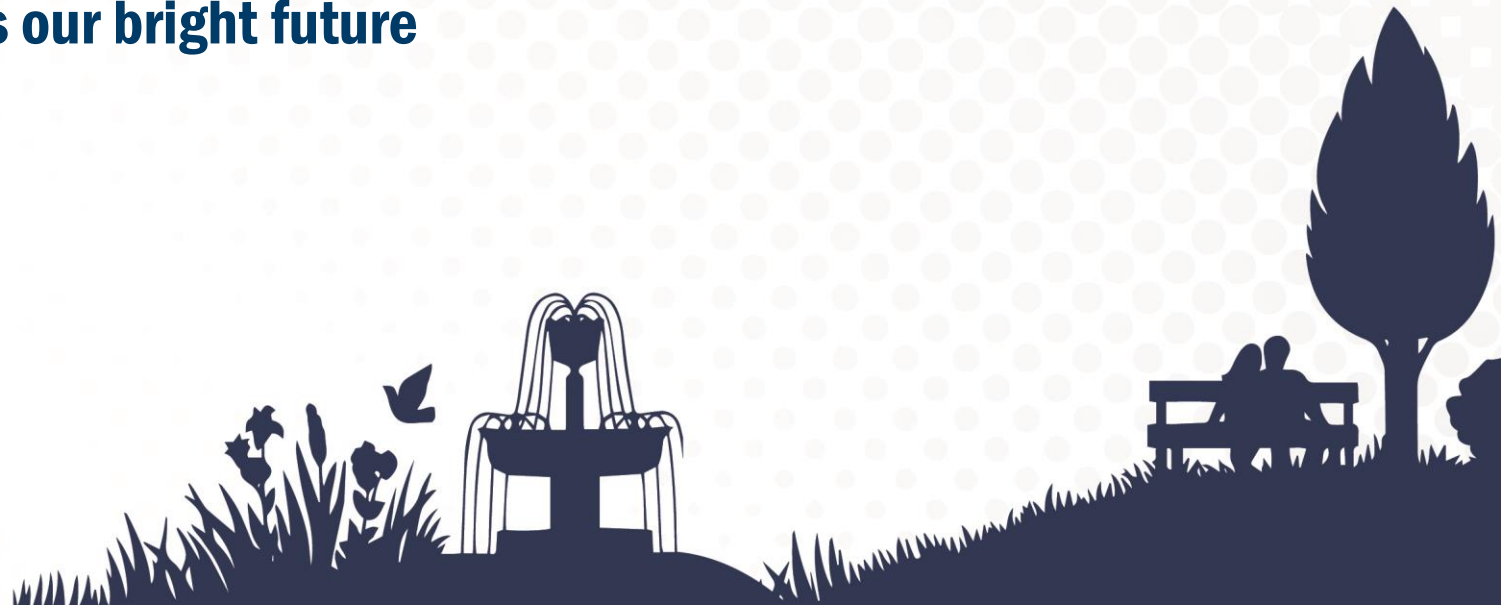

# Unique community spaces

- 1 | **Camp 30 Cafeteria Building**
- 2 | **Bowmanville Park on the former Bowmanville Zoo lands**
- 3 | **Waterfront development (Bowmanville, Courtice, Newcastle)**

# Looking ahead

- Community Engagement to be open from September 17 to October 6**
- Final Master Plan to be brought to Council at the October 28 meeting**
- Working collaboratively towards our bright future**

Thank you
