Dance / Events/Movies –

Movie Night - Sept 13 - we are co-ordinating the Hampton Hall to ensure we aren't showing movies on the same night.

Adult Dance - October 26th - Halloween Dance - suggest to have have Co-ordinator for this dance, looking for volunteers....

Over 30 Dances - was asked if board was going to start again but it is too hard to get volunteers to help

Yard Sale - was successful - Marlene Boyle donated Yard Sale signs and said with more notice next time she could possible assist more.

Old Business –

Bids closed on the Grading project - we have requested that it not be done during Wedding Season - Aug to Mid October. Requested completed in July due to lack of booking but not sure if can be completed that quickly.

New Business –

Communications need improvement - People new to the community don't know how to join, - if people express an interest, get their names and numbers

Social Media Co-ordinator - need a person to post on Facebook and Instagram

Create a Whatsapp group for the Board and volunteers has been suggested as a way to reach out. It has been expressed that the emails and texts may not be working as many people don't read their emails.

Creating new emails for board members like Secretary@TyroneCC.com, not active yet, will advise when they are.
