Dear Madam:

RE: MUN-431-0419 Complaint against the Municipality of Clarington

Our investigation of the complaint against the Municipality of Clarington has been completed, and I have enclosed the Ombudsman's final report.

As you are aware, both parties were provided the opportunity to comment on the draft report. The Ombudsman then takes the comments into account and makes any modifications deemed appropriate. In this case, apart from anonymizing the final report (replacing names with titles and/or initials), the report is unchanged from the last version you received.

Our file in this matter is now closed.

Yours sincerely,

Peter Maniatakis
Deputy Ombuds
