

# Durham Devils

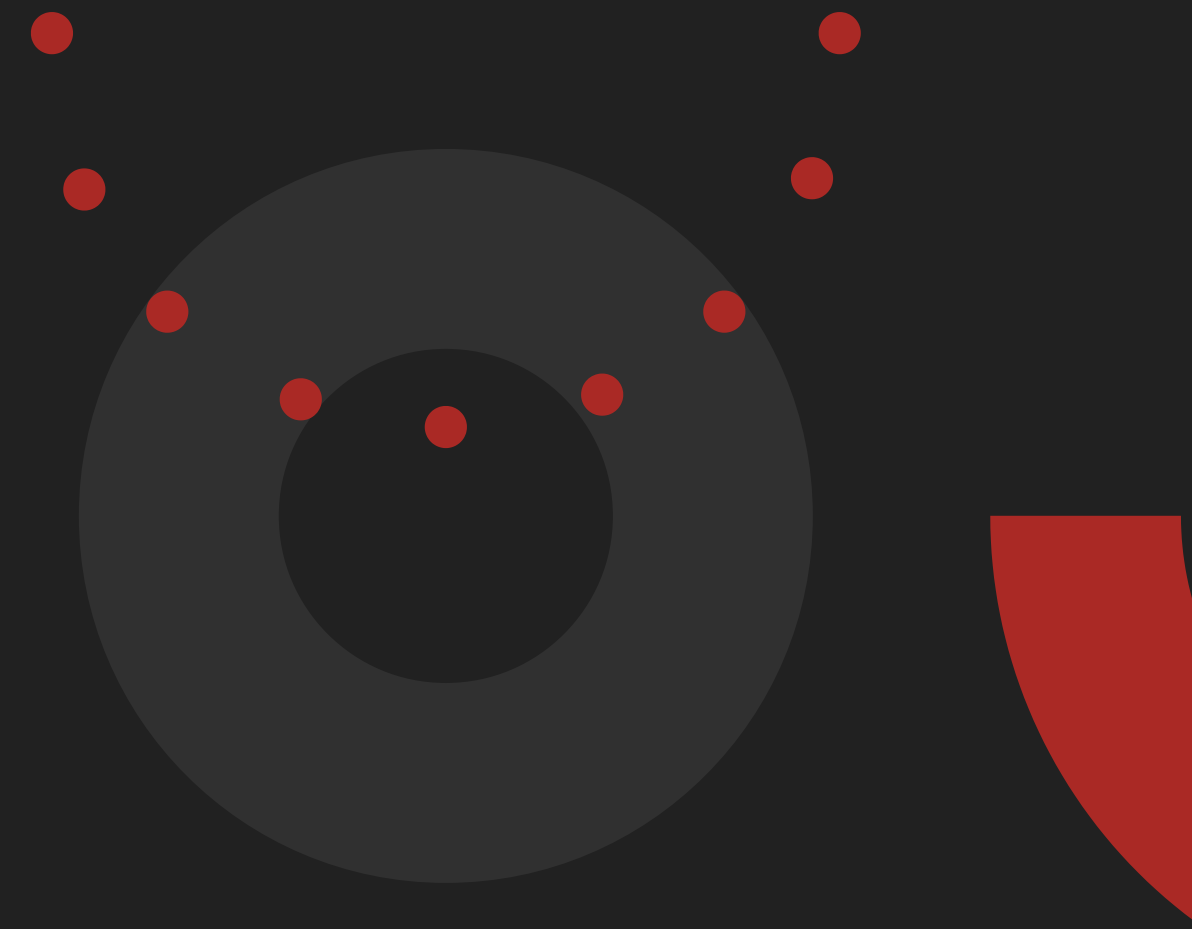

NPHL Franchise Teamt

---

# What is the NPHL?

A senior hockey league that began in 2019 as the EOSHL - Eastern Ontario Hockey League with 6 teams

In 2025 the EOSHL underwent a change in ownership and was rebranded to the NPHL - North Premier Hockey League with over 15 teams.

This league attracts players from various backgrounds - from past junior players to past pro players.

# Durham Devils - The Why?

The team provides a platform for local players who have aged out of the local programs offered, but still want to compete at a higher competitive level.

Community involvement - we want to be apart of the community

Youth involvement - engage with local youth

# Durham Devils - The How?

Would make a financial contribution to Bowmanville to assist with their hockey programs. We value the benefits of investing in youth sports.

Sponsorship

Our players would be available for mentoring and coaching opportunities to teams within Bowmanville. We would be interested in offering a youth hockey camp.

Mentoring/Coaching

We, as a team want to be involved in the community. Volunteer at local events. (Applefest, Maplefest, Santa Claus Parade)

Being Involved

# The Benefits

Boost local pride and a unifying force bringing people together around a shared passion

NPHL games are high energy, and attract many fans, and provides Bowmanville with a fun family friendly event to attend

Gaining a community partner involved not only with local youth, but engaged in the community of Bowmanville itself.

# The Ask

- Our team would need 2 nights per month for games (2x 3hr time slots)
- Opportunities to be involved with Bowmanville hockey teams for coaching and mentoring opportunities
- Opportunity to work with community stakeholders to ensure the success of this venture

# Thank You.
