Lakeridge Health's Five-Year Accessibility Plan

An important step forward in our Inclusion, Diversity, Equity, Accessibility and Anti-Racism (IDEAA) efforts to remove barriers for everyone who works and receives care at Lakeridge Health.

What's New in the Queen's-Lakeridge Health MD Family Medicine Program

- **2025 Cohort:**
 - Admission process is underway.
- **2024 Cohort:**
 - In January 2025, the second cohort completed a one-week Community Week, facilitated by the Rural Ontario Medical Program (ROMP) and Eastern Regional Medical Education Program (ERMEP).
 - Returned for a Community Week placement in April 2025 to continue training.
 - Just finished a month-long community placement across rural areas of Durham Region.
- **2023 Cohort:**
 - Will begin their Clinical Clerkship at Lakeridge Health and community training sites in August 2025.

Annual General Meeting: June 19, 2025

The poster for the 2025 Annual General Meeting features a collage of images: a woman in a purple top dancing, two men in suits talking, and a woman in a blue dress holding a large blue and white circular object. The text is overlaid on a dark background with a green bar at the bottom.
